

art-life

A philosophy for work and life

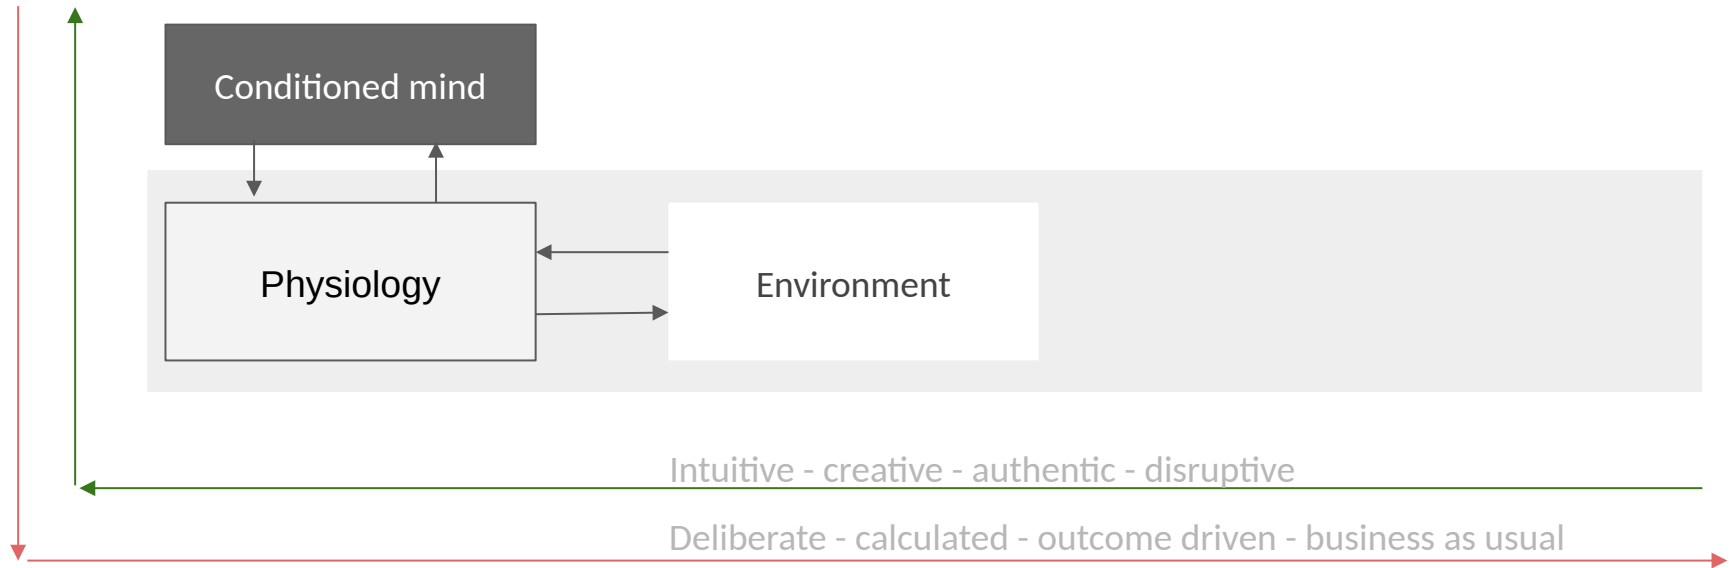

Netra Srikanth & Raghava KK

Art-life

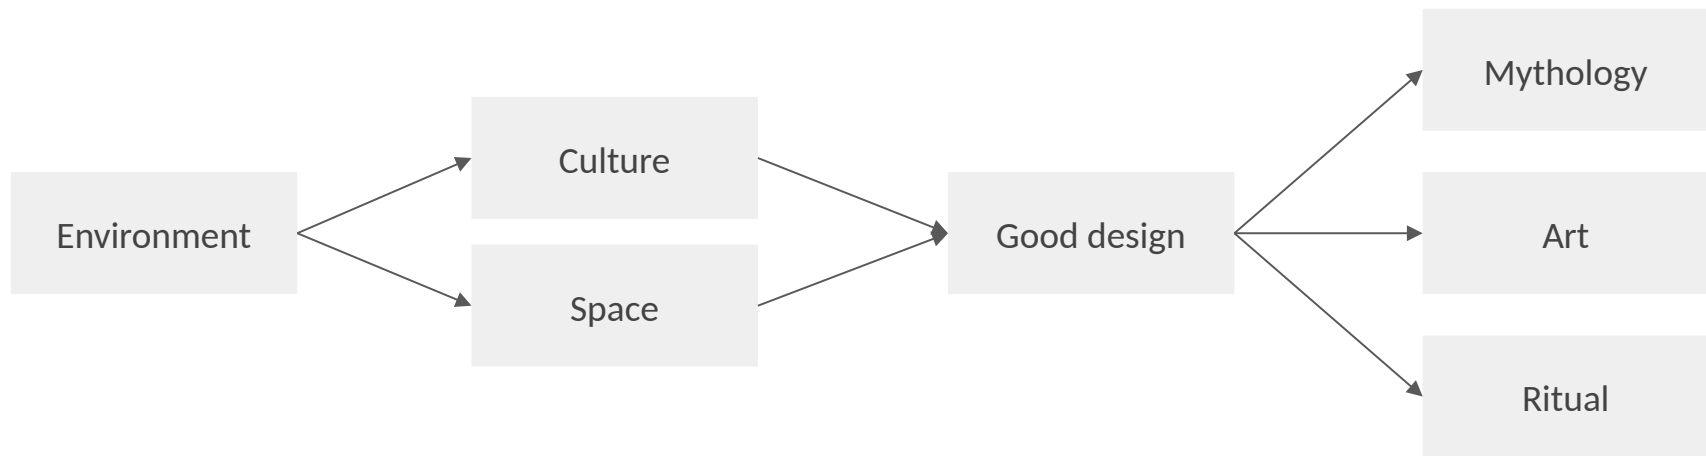

Authenticity

Manifest through the environment

Understanding authentic environments

MYTHOLOGY

Your story

A good mythology generates strong empathy. It makes its members take ownership of the journey.

ART/DESIGN

Inspiration/Reinforcement

Serves as a daily visceral reminder and reinforcement of what everyone is working towards.

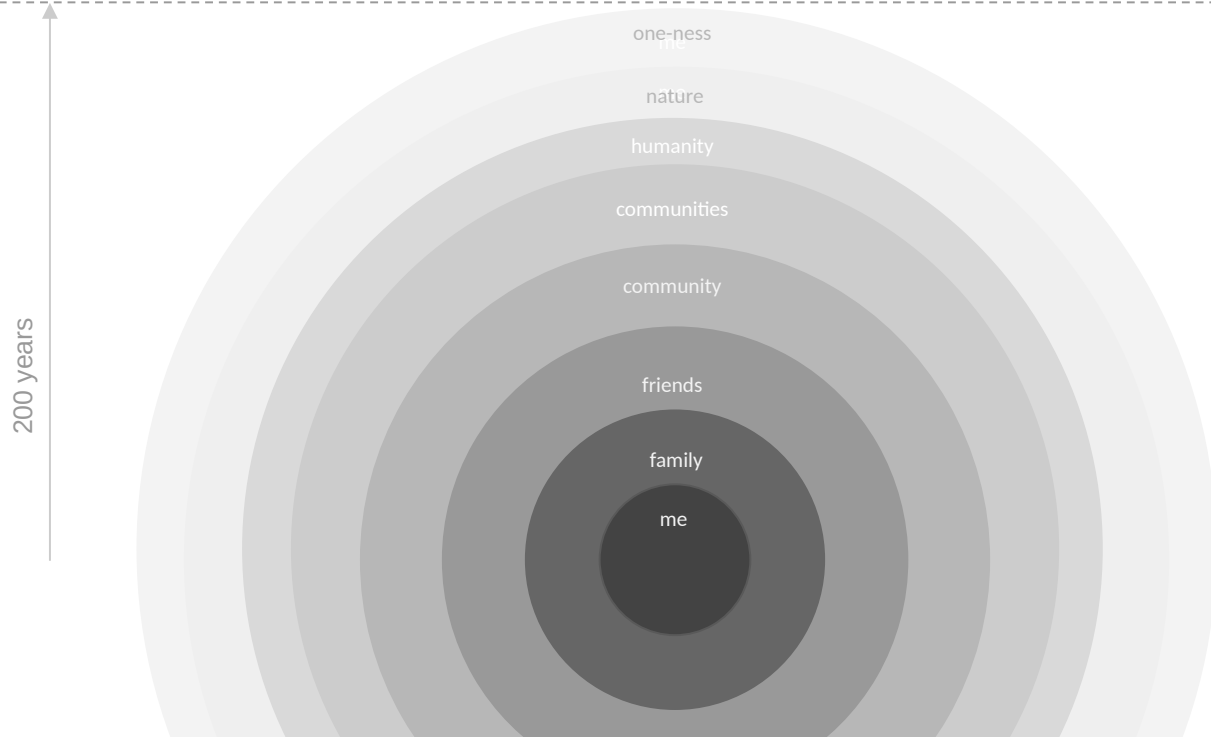

RITUAL

Experience through design

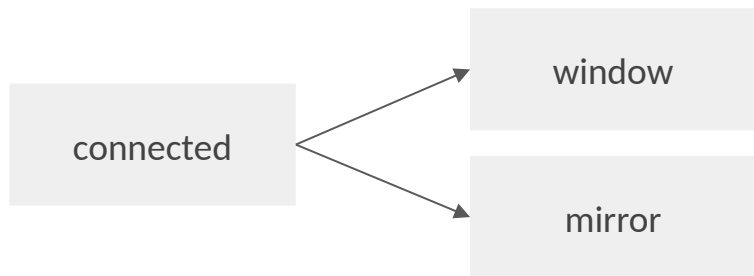

Rituals allow you to bring your mythology to life for your people through participation in designed experiences.

Holistic

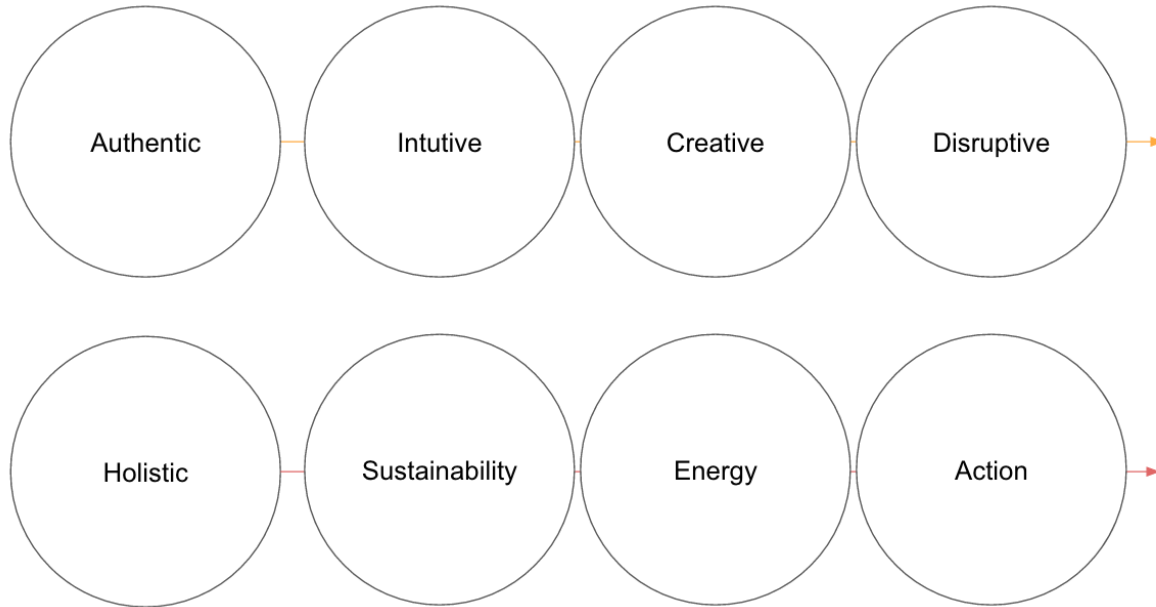

Manifest through interconnectedness and relationships

Understanding holistic relationships

Art-life creates...new paradigms

The art-life lab
