

#encapsuled!

Ideas for Raghava to show on terrain

Where to position Raghava in the nft space?

2021

past
future

digital art
archive

(through the lens of
relevance and
digging out insights)

present

digitizing the
zeitgeist

(through the lens of
the new popular
digital values)

future
realities

(through the lens of
new tools of
transcendence)

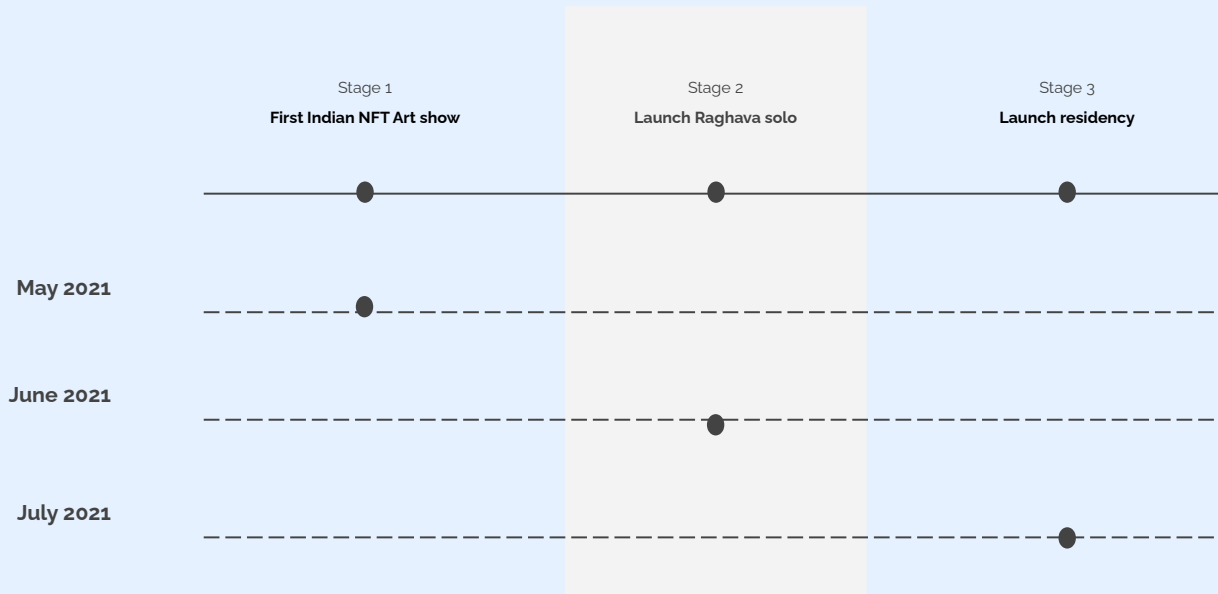

Ask & show but never tell!

We encourage healthy debates and welcome perspectives.

when to launch Raghava's solo?

2021

— concept deck

what?

2021

1 artist

1 virtual world

100 artworks

6 month subscription

REIMAGINING A NEW **VIRTUAL** ENCOUNTER WITH ART

What does it mean to present the whole artist?

Artist as subscription / Art as Life

Process as art

What are the values of the new virtual encounter?

Physical x Virtual encounters

Libertarians x Capitalists

Who are the new patrons of digital art?

Bundles to kickstart secondary market

Gallery as artwork (medium as message)

Art as the context of its own aesthetic

Self Help as art

Art and relevance

Project managers and timelines

Critic to help structure this performance piece

Need to arrive at a pricing model and rev share - primary and secondary markets

Need to arrive at production costs and who will bare it?

Need to arrive at marketing and sales - strategy, roles & platform

Terms of engagement - consignment details - sale post show details

rev-share model (suggestion)

2021

Model 1:

Terrain (marketing & sales): 40%

Artist (production & artworks): 50%

Production partners (tech support): \$x + %10

Cap expenses for production at \$x

Model 3:

Terrain (marketing & sales & prod costs(50%)): 45%

Artist (production costs (50%) & artworks): 45%

Production partners (tech support): \$x + %10

Cap expenses for production at \$x

Model 2:

Terrain (marketing & sales & prod costs): 50%

Artist (production overseeing & artworks): 40%

Production partners (tech support): \$x + %10

Cap expenses for production at \$x

Dilution happens to any third party proportionately across all parties

process

2021

— concept deck

pre

Step 1 - Close theme + List of assets + timeline + costs + technicians

Step 2- Create separate timelines for each artwork/ series

Step 3- Test compatibility and platforms

Step 4- Production of assets

Step 5- Assimilation of assets + creation of final work

Step 6- The drop strategy - gtm + marketing plan

Step 7- The Buzz (Digital Natives, Crypto Investors, Art Collectors)

launch
