

Raghava KK

building an eco-system based on a promise

as /of/ for/ from

art $\longleftrightarrow$ life

interdisciplinary,
collaborative

we learn by doing.
action oriented

sensual, individualistic
aesthetically resolved.

accessible, authentic, smart, creates
value in others

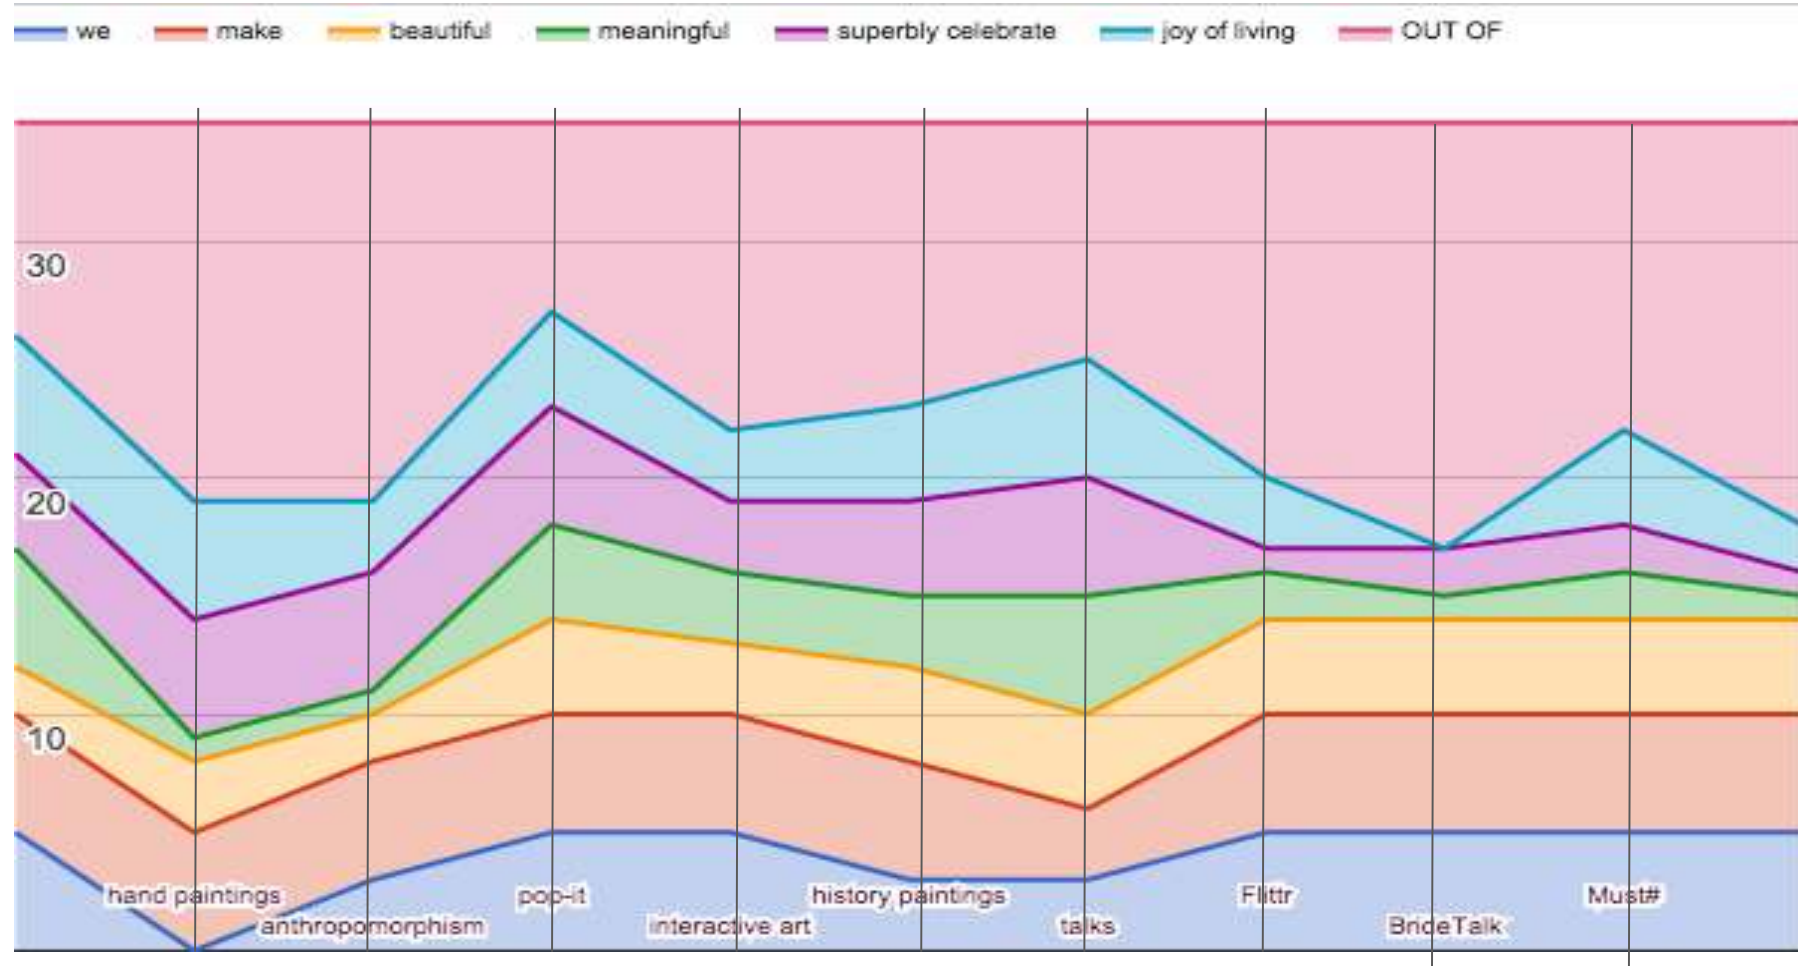

We make things that are beautiful, meaningful
and superbly celebrate the joy of living

in a energetic, grand scale, grateful
and in style

spiritual, self-driven, positive, animated
living ,

past projects

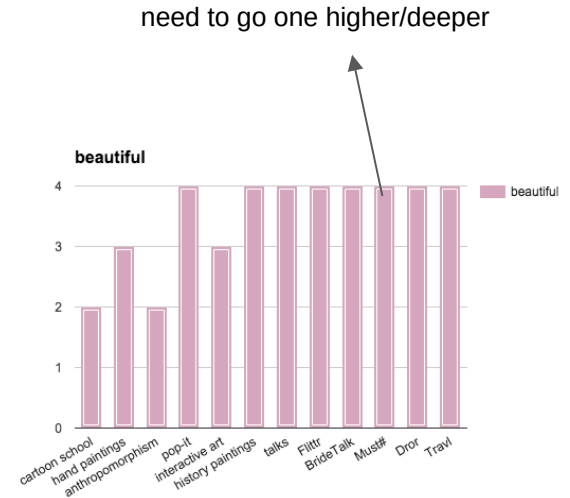

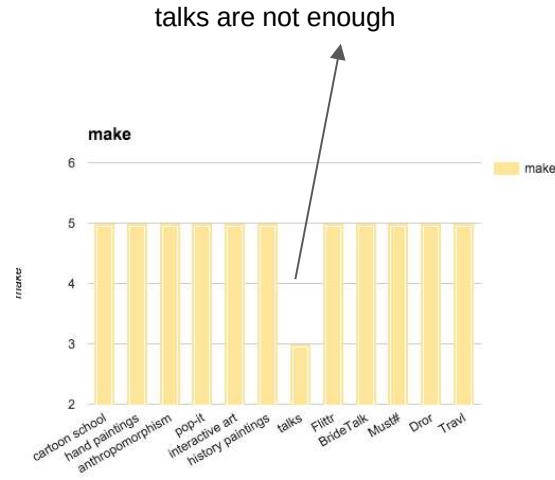

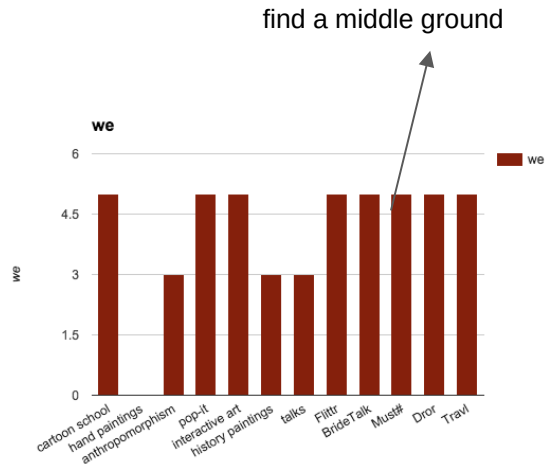

[illegible]

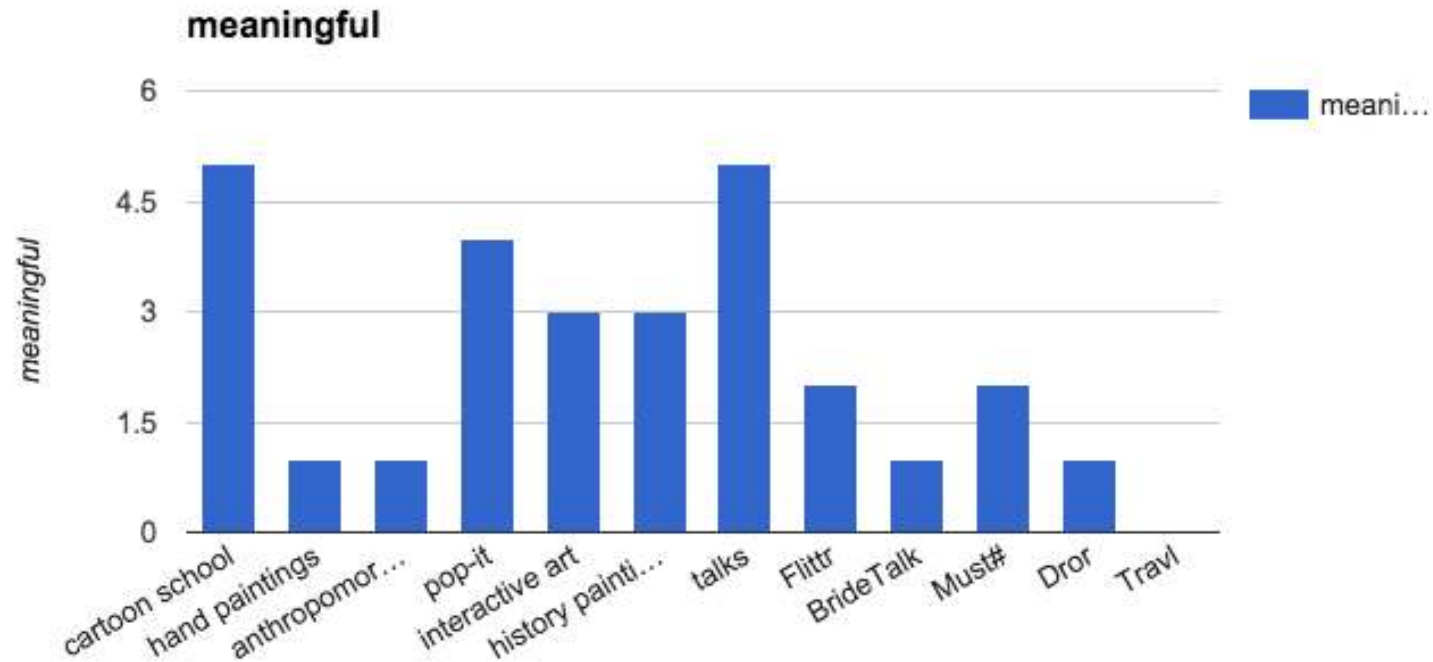

we interdisciplinary, collaborative

make learn by doing. action oriented

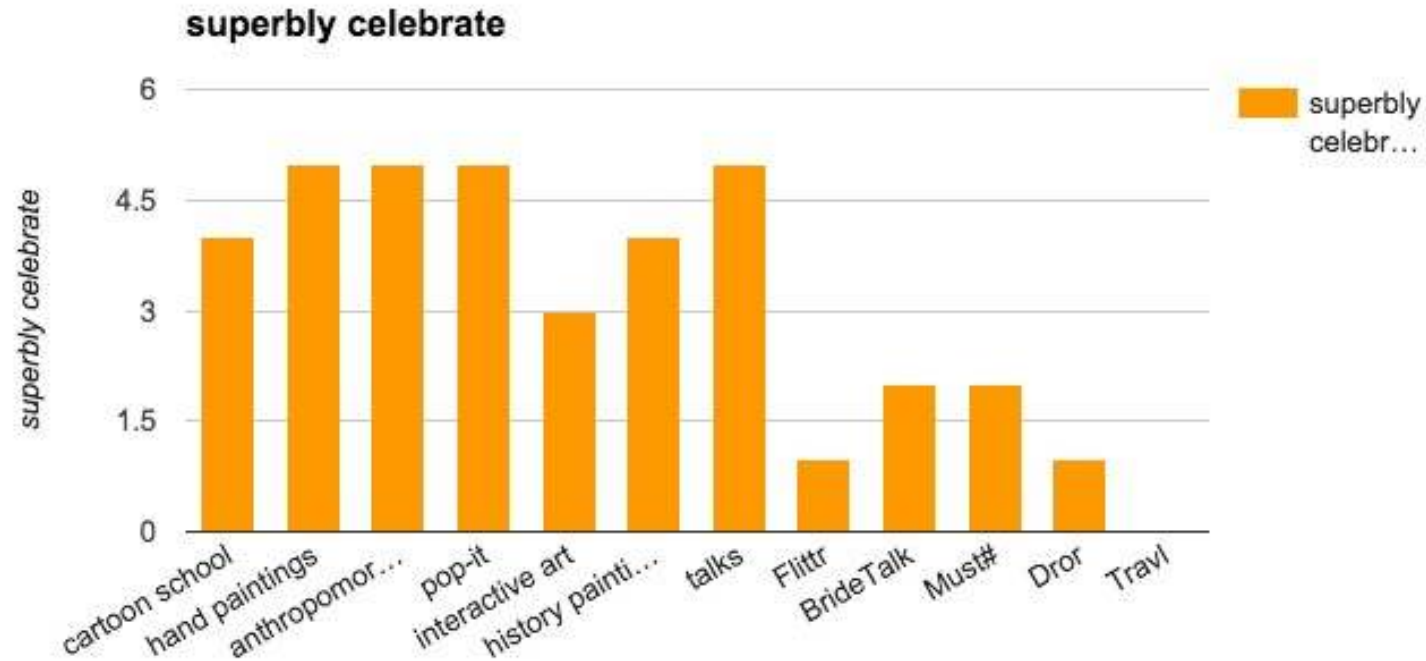

beautiful sensual, individualistic, aesthetically resolved.

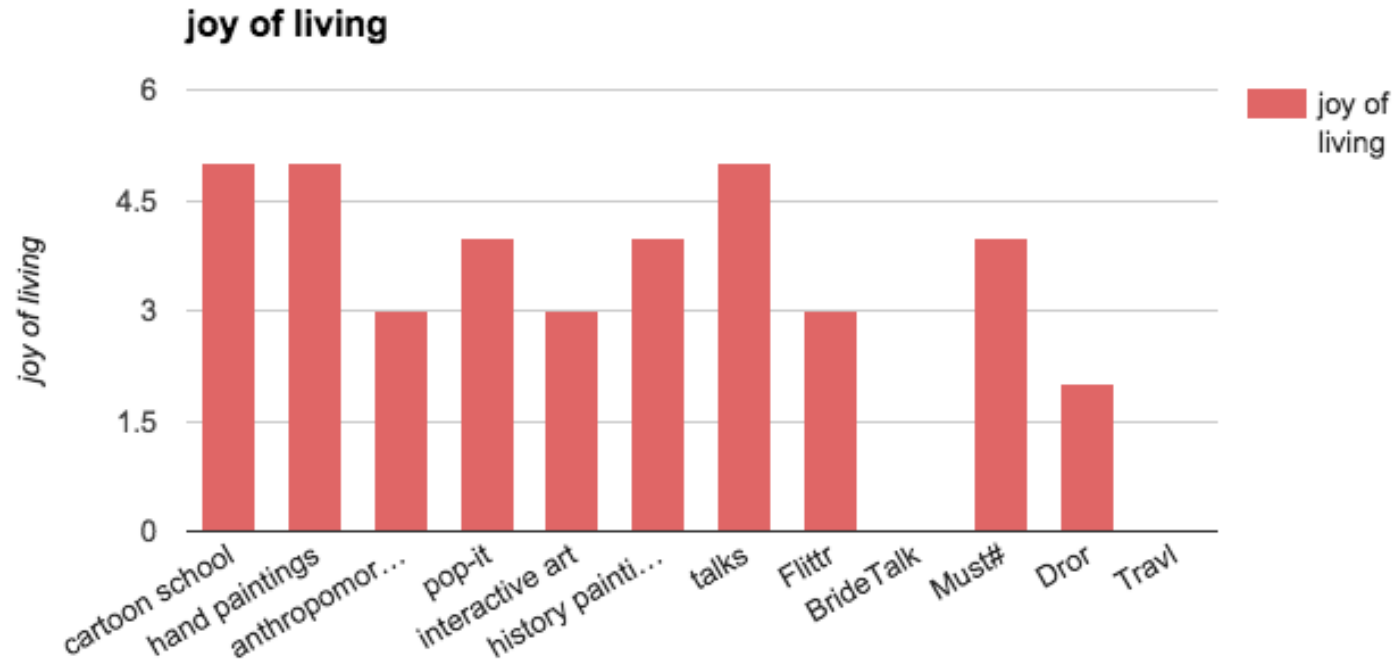

meaningful - accessible, authentic, smart, creates value in others

superbly celebrate - in a energetic, grand scale, grateful and in style

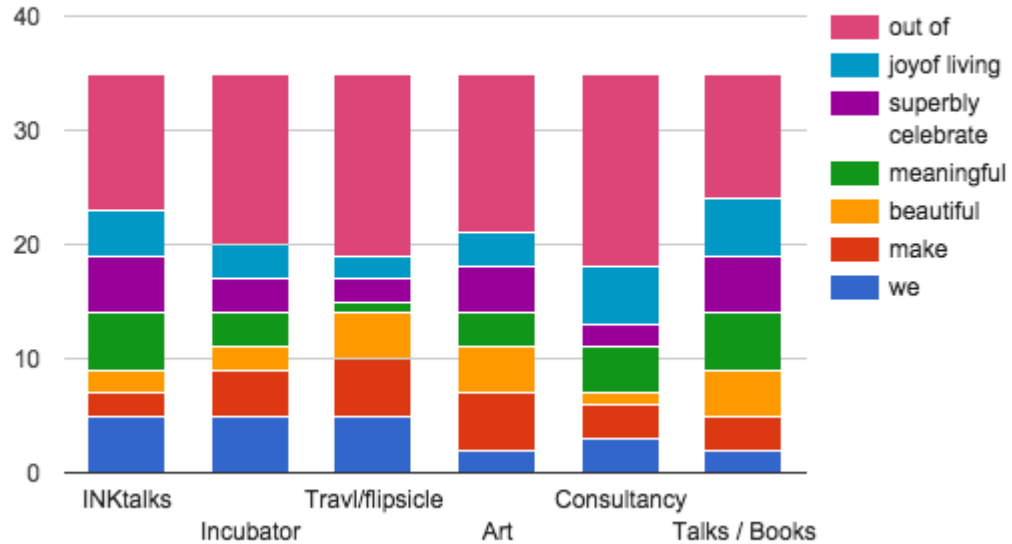

joy of living - spiritual, self-driven, positive, animated living

possible directions

**we, make, beautiful, meaningful, superbly
celebrate...**

Being better at everything

INKtalks: less collaborative -- make more products -- make more beautiful

INCUBATOR: less collaborative -- more beautiful -- only accept meaningful visions that celebrate the joy of living

FLIPSICLE/ travl: less collaborative -- add more value and make more authentic/ meaningful -- make it grand -- make it celebrate life

ART: more collaborative -- deeper beauty -- add more value to others -- has to show joy of living

CONSULTANCY: make it an art/beautiful -- make it grand - a movement

TALKS/BOOKS: make more collaborative -- make a product, beautiful book, think of the book as art

50 hour week time distribution
